

ADVERTISEMENT FOR SEALED PROPOSALS DESIGN/BUILD SERVICES

Sealed Proposals will be received by **MACON WATER AUTHORITY** (the "Owner") at **790 Second Street, 2nd Floor Board Room, Macon, Georgia 31201, until 2:00 p.m. local time on August 17, 2010** for Design/Build services for **Amerson Water Treatment Facility Diesel Generator Scrubbers**. The Owner shall not consider late proposals.

Scope of Services

To provide Design and Construction services for the complete design and construction of the Owner's **Diesel Generator Scrubber Project** for the **Amerson Water Treatment Facility** as specified per the Owner's Criteria for Design and Construction and the Contract Documents. The Macon Water Authority is seeking to add two (2) Selective Catalytic Reduction (SCR) Emissions Control Technology to the existing Caterpillar 3516B DITA 1600KW diesel engine generator units currently installed at the Amerson Water Treatment Facility and used as emergency standby resources. The goal of the project is to give the Macon Water Authority the ability to operate the existing generation assets during the elective utility provider's coincident peak (CP) periods while meeting all environmental requirements of the Georgia Non-Attainment area. The turnkey project will include but not limit to design, environmental permitting assistance and coordination, SCR equipment, system installation and startup, integration of all operating parameters into Macon Water Authority's Supervisory Control And Data Acquisition ("SCADA") system and remote monitoring/dispatch

The Request for Proposal ("RFP") and related documents ("Proposal Documents") will be available July 17, 2010, and may be obtained at **Macon Water Authority, Engineering Division on the Second Floor at 790 Second Street Macon, GA 31201**, for a non-refundable charge of **\$100.00** per set. Checks shall be made payable to **Macon Water Authority**. Applicants for the Proposal Documents shall register with the Owner by providing in writing at the time of application for Proposal Documents the Project description, the Design/Build Contractor's name, address, telephone number, email address and contact person.

Except as expressly provided in, or permitted by, the Proposal Documents, from the date of issuance of the RFP until final Owner action of approval of contract award, the Design/Build Contractor submitting a Proposal shall not initiate any communication or discussion concerning the Project, the RFP or the Design/Build Contractor's Proposal or any part thereof with any employee, agent, representative or Board Member of the Owner. Any violation of this restriction may result in the rejection of the Design/Build Contractor's Proposal.

The Owner reserves the right to reject any or all proposals, and to waive technicalities and informalities.

A **Mandatory Pre-Proposal Conference** will be held at Macon Water Authority's Board Room on the Second Floor at 790 Second Street Macon, Georgia at **10:00 A.M. local time on August 5, 2010**.
