ADDENDUM NO. 2
PLANS, SPECIFICATIONS AND CONTRACT DOCUMENTS
May 15, 2017

PROJECT: 36 inch Sanitary Sewer Relocation for GDOT PI 311410
OWNER: Macon Water Authority
C&S FILE: M0175.035

TO: ALL BIDDERS

This addendum forms a part of the Contract Documents and modifies the original Specifications and Contract Documents as noted below. Acknowledge receipt of this addendum in the space provided on the Bid Form; failure to do so may result in disqualification of bidder.

The following is a clarification and update to the Corbin Avenue Lift Station Data provided in addendum number 1:

The 30 day flow trend at the Corbin Avenue Lift Station taken from April 4, 2017 to May 4, 2017 shows a peak flow of 6.29 MGD and an average flow of 2.15 MGD. The flow data does not include an unmetered 12 inch gravity sewer that connects upstream of the 36 inch relocation project.

The following is a clarification to the coating requirements for the 48 inch steel casing:

For bidding purposes, the entire length of 48 inch steel casing shown on the project plans shall be coated as specified in the contract documents.

For bidding purposes, no substitutions shall be considered for the TNEMEC coatings specified in the contract documents.

SPECIFICATIONS & CONTRACT DOCUMENTS

Section 00020 - Invitation to Bid: Bidders please note that the bid opening date has been revised, the bid opening location remains unchanged as noted below:

Sealed Bids for furnishing all materials, labor, tools, equipment and appurtenances necessary for the 36 Inch Sanitary Sewer Relocation for GDOT Project 311410 (the “Project”) will be received by the Macon Water Authority (the “Owner”) at the Macon Water Authority, 790 Second Street, Second Floor Board Room, Macon, Georgia 31202 until 10:00 A.M. local time on Tuesday, May 23, 2017 and then at said office publicly opened and read aloud.
